Dear Sir:

Enclosed for filing in the above-identified application is an Information Disclosure Statement by Applicant (PTO/SB/08 equivalent) listing twelve (12) references that are also enclosed.

Applicants note that since the filing of the previous Supplemental Information Disclosure Statement for this application, Office Actions have been received in two related, copending applications. In particular, an Office Action for U.S. Patent Application No. 10/005,729 was mailed on December 14, 2004, and an Office Action for U.S. Patent Application No. 10/010,147 was mailed on February 9, 2005. Copies of each of these Office Actions are available through the Patent Application Information Retrieval (PAIR) system. If the Examiner so requests, Applicants will provide the Examiner with copies of these Office Actions.

Pursuant to 37 C.F.R. § 1.97(g) and (h), Applicants make no representation that a search has been made or that the information is considered to be material to patentability. Additionally, inclusion on this list is not an admission that any of the cited documents are prior art in this application. Further, Applicants make no representation regarding the completeness of this list, nor represent that better art does not exist.

This Information Disclosure Statement is being filed before the mailing date of a final action and before the mailing date of a Notice of Allowance.
